New estimates of 2002 county personal income and revised estimates for 1969-2001 were released May 25, 2004. These estimates incorporate the results of the comprehensive revision to the national income and product accounts (NIPAs) released December 10, 2003, and to state personal income released April 27, 2004. The revised estimates also reflect the new and revised county-level source data.
